Foster Care Adoption Milestone - Children/Youth Freed for Adoption
number and percent children/youth in foster care (2018)

Why This Matters:
Adoption Milestones presents four indicators that measure milestones in the multi-step adoption process for children in foster care on the adoption track: with a permanency goal of adoption; with a legally freed status; in an adoptive placement; or discharge to adoption.

Adoption is a process whereby a person assumes the parenting for another and, in so doing, permanently transfers all rights and responsibilities from the original parent or parents.
